Walk

There is a walk being organised by the office for "Women Walk the World" on 27th April, we thought we could make this our first outing. It will be at Nacton and last about an hour. I shall need to know numbers this evening as I have to let the office know.

Kurling Evening 20th May

We still have 7 tickets to sell.

As we are having a raffle, we would very much appreciate it if you could bring along a suitable item we could use as a prize, to the May Meeting. Many Thanks.
